

PRESS RELEASE

MM&T

9 Spanish Tanneries will be showcasing the most creative and trendy articles for the forthcoming season, whilst 6 chemical and machinery enterprises present their innovative and technological solutions to the tanning industry

Hong Kong, 30th MARCH – 1st APRIL, 2016

Hong Kong's leading and consolidated leather show continues to attract Spain's top leather exporters whilst new companies assess the growing importance of Asia Pacific as a strategic market for expansion. The importance of Asia Pacific Leather Fair for the Spanish Tanning industry is unquestionless.

Spain's has shown that innovation, technology, research and development are key to their success through the fashion world. Companies such as Curtidos Badia, Riba Guixá, Combalia, Morera Pell, Inpelsa or Verdeveleno, renowned for their premium quality leathers and strategic partnerships with international brands, shall be presenting their latest collections where colour, texture, finishes are combined innovatively to highlight the intrinsic values of their articles.

The importance of the quality, its scarcity and exclusivity of Spanish skins and hides is also present at Asia Pacific's most international platform – APLF/MM&T, which attracts clients from all over the world who seek, above all, a quasi-perfect skin or hide, guaranteeing the quality and exclusivity of the finished leather.

Inter Leather, one of Spain's leading traders will be present for third consecutive year

At this latest edition of APLF/MM&T, 15 companies will be representing the Spanish sector in all its strength, promoting above all creativity, innovation and quality.

For the exhibiting companies, APLF/MM&T is an interesting platform as the tendency of the Asia Pacific markets is to purchase premium quality finished products and have shown great interest in those companies that also supply key international fashion accounts.

Enjoying the international prestige and repercussion of APLF/MM&T Hong Kong, the Spanish Tanners will be exhibiting an interesting collection of leather samples for the forthcoming Spring-Summer season.

The location of the Spanish Pavilion continues to be held in Hall1E and the exhibiting tanneries that will be showcasing their collections will be as follows:
