

The Art of “knowhow”

A new edition of Lineapelle, enjoying a very representative number of Spain’s best brands is a “must” for the Spanish tanning industry right from day one. Closing the International show agenda, it will enjoy the presence of 19 Spanish Ambassadors whom will showcase its latest collections for the Fall/Winter 2019-2020 season.

The Spanish Tanners, true design and art masters that only tradition, perseverance and passion has made it possible, rely yet another year on Lineapelle, which, demonstrated by the numerous participations of Spanish brands, has become “The” meeting point for the global fashion and design actors.

The nineteen tanning international community ambassadors “par excellence” Will showcase their sustainable collections, in which diversity, naturalness, technology and savour-fair are clearly present. All the above is merged to exhibit true artwork where empathy and the passion of the professional craftsmen and women for the grandeur of leather, will captivate the world of fashion.

The strictest of standards and centuries of experience enjoyed by the Spanish Tanners flow to offer finished leathers which are technological, innovative, creative, passionate and ground breaking, all very much present in all the collections that can be seen in the Spanish booths at Lineapelle.

Playing with an interesting chromatic palette and endless experimental and natural nuances which are the result of the symbiosis between great designers and the Spanish Tanners, the numerous articles that compose the collections and which to respond to the demands and trends of the prestigious luxury market, will transport the visitors of Lineapelle to the cosmos of art and luxury.

The Spanish tanned articles, highly appreciated in the international arena, can be seen in 4 of Fiera Milano’s numerous pavilions (Halls 9, 11, 13 & 15) and the visitors will be able to see, touch and breath the art of Knowhow on leather.

On the next page you will find the complete list of exhibitors in the advertising published by ACEXPIEL with the stand number and web page.
